*Just because we're apart doesn't mean we can't celebrate your creativity together! Use this yard sign to create your own work of art. Put it in your yard on the date found on the sign for a community art exhibition!*

## MATERIALS

- Craft Paper
- White Sign
- Metal H Frame
- Markers
- Stickers (optional)
- Tape or Glue (optional)
- Paint
- Crayons
- Color Pencils

## INSTRUCTIONS

1. Time to get creative! Design your yard sign using art supplies and materials you have at home, such as craft paper, stickers, paint and tape. Markers are included in this kit.
2. Attach the metal “H” frame to your finished sign. You can do this by sliding the frame inside the sign.
3. Stick the other end of the frame into the ground in your front lawn. You can also display your work in your front window.

**Now you are ready to share your art with your community!**

Be sure your yard sign is out on the designated day for your community’s art show.
